The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In the secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must maintain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities and deficiencies, and the nature and the number of courses upon which his average is based.

Dr. Nils Y. Wessell, President of Tufts University, was the guest speaker at the annual initiation banquet held on May 10.

We start young and inexperienced, . . .

ABECEDARIAN

The Juniors

By Bill Hunt

The Junior Class has had a good year in all respects. The Honor Roll has regularly contained the names of Ken Weene, Ross Chace, Pete Fitts, and Newt Lamson. Although the change from the sophomore year is a large jump in responsibility and studies, this class has met the challenge squarely and has mastered it. The English 3 course this year was more difficult than it was last year, since the reading of *Abraham Lincoln* and the writing of term papers have been added. The course was taken very seriously, and a great deal was gained from the better objective viewpoint provided by the changes.

Naturally, study does not comprise the entirety of the Juniors' activity. Sports provide a source for school spirit and an outlet for energy. Football and basketball were favorite sports

choices in the class. Both of these squads contain a large number of younger players. This fact is greatly assuring to the future success of the teams. Also, Varsity Baseball has nine juniors on a squad of fifteen men.

Although being a member of the Senior Glee club involves a great deal of work and the spending of extra time, this activity is a favorite. The various concerts with the glee clubs of neighboring girls' schools and the dancing afterward were climactic points in the year. Joe Montgomery, with his rich tenor voice, was an outstanding singer. He sang the solo *Golden Days* in several of the concerts.

The importance of the juniors has lain in the shadow of the Senior Class all year long. But now with the departure of the seniors, that importance is being brought to the surface and the light. The juniors must realize the respon-

sibility and leadership which they are shouldering, and strive to carry it well. They must attain substantial scholastic caliber. They must provide good examples for the younger boys. Their main responsibility is to conduct themselves in a manner indicative of the high standards of their parents and their school.

The Sophomores and Freshmen

By Randy Light and Jim Houghton

This year's sophomore class, which consists of 65 boys from nine different states, is the largest sophomore class in the history of Governor Dummer Academy. The sophomores started off the school year as usual, sizing up the new boys, finding out who did not return from last year, and telling each other their separate summertime experiences.

As the year progressed everyone slowly and reluctantly fell back into the routine of things, only to find a field of interesting class work as well as of exciting sporting events. Soon the class was well represented on the Honor Roll by some of the old mainstays such as "Ducky" Medwed and John Wise, and new boy Jeff Wilson. Twenty-three different boys were placed on varsity teams.

Once the Junior Glee Club got under way, the sophomore class found that a social life was in store for them as well as a year of singing. Under the excellent direction of Mr. Kerr, the organization prospered and has sung in several concerts.

Although the sophomore has suffered in reading such books as *Classic Myths* and *Caesar In Gaul*, these boys have had a good year funwise, sportswise, and studywise and should make a good and stable junior class next year. In their studies, they have built for the day when they will become the senior class of 1959, and let us hope that they will add at least as much to the school as they take away with them.

The Glee Club

By Bob Kancavicus

The musical sound of the 1957 Glee Club will long linger in the ears of the Governors. Although somewhat smaller than in past years, the Glee Club carried on the tradition of giving excellent concerts. Under the able direction of Mr. Sager, a high-spirited year was enjoyed by all.

There were four joint concerts held during the year with Walnut Hill School, Winsor School, Dana Hall School, and Beaver Country Day School. The numbers which were most often sung in the concerts were the *Drinking Song, Old Hundredth, O Bone Jesu, Give Me Your Tired, Your Poor*, and the humorous *Musical Trust*. After each concert the evening was rounded out with dancing and refreshments.

Among the specialties which the Glee Club presented this year was the tenor voice of Joe Montgomery singing *Golden Days* as a solo. Mr. Kerr's Meistersingers

gave the concert-goers a rendition of several fine songs. The girls at the Spring Dance greatly enjoyed the singing of this group. Among the songs which the Meistersingers sang were the negro spirituals *The Chariot Song* and *My Lord, What A Morning*. They also sang *Secrets* and *On the Street Where You Live.*

The most exciting concert of the year took place on April 6. The Glee Club joined eight other preparatory school Glee Clubs at Symphony Hall in Boston. There they took part in the New England Preparatory School Music Festival Chorus. The Chorus was proudly conducted by Wilfrid Pelletier, a world-famous conductor, in a most difficult program. The critics of Boston gave the entire program a great deal of praise. The sensation of singing at Symphony Hall gave each boy an unforgettable thrill.

At the Commencement Exercises, the Glee Club took an important part in completing the program. It is questionable as to whether the *Senior Song* ever sounded as good as it did on that last day. And with the singing of the *Senior Song*, the 1957 Senior Glee Club concluded an outstanding season.

Junior Glee Club

By Jeff Wilson

The Junior Glee Club has again enjoyed a most successful series of concerts and dances with various girls' schools of the neighboring area. The first concert-dance came after only a few weeks of practice, at Beaver Country Day School; but the hard work and desire of the glee club to make a good showing made up for the lack of rehearsals. The performance was better than was expected, and a most favorable season was seen to lie ahead. The three highpoints of the year were the dinner-dance at Walnut Hill School, the concert-dance at Shore Country Day School, where the Glee Club performed before one of its largest audiences, and the concert with the Senior Glee Club on Commencement Day.

The favorite songs of the Glee Club this year were *Jerusalem*, *Old Man River*, *I Could Have Danced All Night*, *The Battle of Jericho*, *Great Day*, and Vaughn William's rendition of *Sine Nomine*.

The success of the Junior Glee Club this year can be attributed to many reasons. The most important reason was the time, patience, and guidance of its director, Mr. Kerr, and of Mr. Stone, the accompanist. Also this success was due to the enthusiasm shown by a great majority of the freshman and sophomore classes concerning the Glee Club, for they enjoyed not only the social aspect of the Glee Club but also the pleasure and satisfaction which comes from singing as a group.

The Football Season

BY BILL HALLENBECK

When this year's team reported for their first day of practice, prospects were very dim. The coaching staff was faced with the problem of building an offense around three men. Only about a third of the team had ever seen action before on a varsity gridiron. In spite of inexperience and inability this club had a very successful season.

The win-lose record was not impressive, but the spirit, will to win, and dogged determination of this team was fantastic. Everyone right down to the last man on the club worked vigorously to help the team. Many of them knew that they might never see action in a game, and yet they never gave up. A great deal of credit is due these boys, some of them seniors, for the moral support that they gave the first club in practice and in games.

Following a short two weeks of practice, the team found itself on the eve of its first game. It was a very unsure team that went to St. Sebastian's to play in the mud. However, a strong defense, the running and engineering of Wink Pescosolido, and the all around play of Captain Don Kaufman and a team of eleven men working together in an all-out effort brought the Governors out on top.

In the next week a great deal was accomplished. New plays were added, confidence was gained, and the team began to smooth out the rough spots for the coming

game with Moses Brown. The weather was tops and so was the team for this contest. Gale French tallied three times for the Red Team. and a sophomore pass combination of Light to Dumont hit for another as the Governors were victorious 35-7. In this game the team hit hard and fast. Practice was paying off. Every boy on the squad saw action, with sophomores scoring two of the touchdowns.

At Milton on October 20 the team had a bit of trouble. Milton's offense was going around the ends for good yardage. The game was nip and tuck for the first half. It was anyone's ball game. During the half the team was briefed on mistakes, and it was a new club that emerged from the field house for the second half. Sophomore Lonnie Churchill scored his second tally of the year — Jim Sylvester hit pay dirt to add to Mike Tyler's first period touchdown. The team had shown that they could come back and that they had the determination to win ball games.

This third game proved to be the turning point of the season, but only in the win-lose column. The team lost its next three contests, but not without giving their all for the cause. Not once did the team waver badly in these last three games, which is a tribute to the personnel.

The next Saturday was Parents' Day, which drew a huge crowd to view the game. The Governors had not dropped a contest in eight starts, having lost their last game to Groton in the opener of the 1955 season. Groton was undefeated in ten games. The home club played a terrific game right up to the last second, but Groton was too much. Their single wing attack led by Hugh Scott was a powerhouse. Jim Sylvester managed to score the

Governors' only touchdown in the fourth quarter, but the high point of the game was the defense of G.D.A., led by Mike Tyler, which did a great job under extreme pressure.

St. Mark's brought an unblemished record into the next game, which proved to be a defensive battle. Both clubs were up for the game, which the Governors dropped by one point 7-6. St. Mark's scored early in the first half and was in possession of the ball most of the time. As in the Milton game though, the team came back after the half with big ideas. The play improved in the second half, with the Governors scoring on a sleeper. Eddy Johnsen took the ball from punt formation, faded back, and threw from about the St. Mark's forty to hit Jim Sylvester in the end zone. It was a beautifully executed play, and came as a surprise to everyone.

The Belmont Hill game was just one of those days. Nothing wanted to work for the home team, and the Hillies could not miss. Interceptions and fumbles plagued the Governors throughout the game. It was a rough way to end the season, but the boys had nothing to cry about. They gave their best and played as a well blended unit for six games. No coach could ask for more.

Congratulations to Mike Tyler who was selected for the Boston Herald All-Prep. team. The thanks of the team go to Don Kaufman, a great leader, and to our coaches Mr. Sager, Mr. Evans, and Mr. Sperry — And best wishes for the 1957 season to Russ Tornrose, captain-elect of next year's squad.

The Soccer Season

By Pete Stanley

As the coaches watched the prospects for the varsity soccer team in their first few days of practice, they commented among themselves that any games that were to be won this year were not going to be won by sheer superior ability. Surely they had a job before them if they were to get a respectable team on the field in time to play the very powerful Andover team. Mr. Navins made it clear to the entire squad that there was no such thing as a first and second string at this point.

The boys that would make the team would be the boys that were willing to work the hardest.

After continual experiments, the coaches came up with the combination that was to meet the experienced Andover team. When the game was over and the dust cleared, the Governors found themselves at the short end. The game, however, had been a very hard-fought one. Tom Parker, right wing for the Red Men, walked off the field with a fractured wrist; and in an attempt to gain possession of the ball, captain George Starbuck collided with the star Andover player in a resounding crash, which resulted in the broken ankle of Andover's leading offensive man.

A very determined Governors' team traveled to Dedham to meet Noble and Greenough in a game that turned out to be a strong victory for the Red Men. During the game, Billy George displayed his exceptional ability as a goalie by making two beautiful saves that drew gasps of admiration from the numerous spectators. Gene Bouley proved to be the man with the most scoring success for the day by putting two shots past the Noble's goalie.

On October 13 the Red Men traveled down to Brooks where they managed to chalk up another victory. Dave Andersen proved to be the hero for the day after he placed a beautiful penalty kick into the Brooks netting. Despite diligent playing on both sides, no more points were scored during the game. This victory greatly helped the morale of the team after the loss to Browne and Nichols on the previous Wednesday.

After losing a tough game to a very scrappy Belmont High School team, the Red Men traveled to Milton with two other Governors' teams to meet their arch rivals. Once again Dave Andersen came through with his famous penalty kick to score the first point of the game. The point came after many troublesome moments with the ball in Governors' territory, and was a very welcome boon to the outlook of the team. Billy George once again showed the superb ability that won him the honor of being chosen the best goalie in the

league as he prevented Milton from scoring a single goal. After the game, the team was happy to discover that the Football and J.V. Soccer teams had also been successful in defeating their able opponents.

On October 24th the soccer team met the best opposing team of their year when they traveled up to St. Paul's. The Red Men were forced to yield by a score of 3-1; however, valuable experience was gained which greatly helped the team in the future.

When the strong Tabor team came to G.D.A. on Parents' Day, the Governors played, the coaches maintain, "one of the best games that Governor Dummer has ever played." Every man on both teams played as hard as he possibly could. Despite the fact that the game ended in a 0-0 tie, everyone was satisfied that it had been an excellent game on both sides.

With hopes of winning the league championship, the Red Men traveled to Southboro to play St. Mark's. The team knew that if they could win their last two league games, they would be the undisputed champions of the league; however, despite their diligent efforts, they found themselves unable to hold down the strong St. Mark's team. A doleful group of Governors came home that evening with a 2-0 defeat.

Everyone seemed to be a little disheartened as the team met the scrappy Medford High eleven in a home game. The Red Men were caught with their guard down in the first half; and as a result, the Medford offense managed to shoot a quick shot into the Governors' cage for the only score in the first half. During the halftime, Mr. Navins gave the team a talking to that abruptly jerked them out of their lethargy. As a result, the boys came back in the second half to play "better ball than they knew how." Thus they managed to tie up the score before the end of the game.

The season was concluded with a game with Belmont Hill School. Determined to win their last game, the squad scored twice in the early minutes of the game. The final gun found the Red Men ahead 2-1, and the team had won the last game of the season.

G.D.A.'s Greatest Day

By P. Ober

Oh Poobah, sublime magistrate of that game of gods, volleyball, I invoke thee as the muse of that great sport to inspire me with words and thoughts to tell of G.D.A.'S GREATEST DAY.

Hardly a man remains alive who will ever forget that famous season of 1956, a season when the all-time greats of the volleyball world met in a deadly three-week battle. Never before had such a collection of heroes been seen: heroes like "Waco", Weenie Weene, George, and my roommate. In the Cowboy league the contest narrowed down to a battle between three titans, one of whom was the team of the man who has won more volleyball games than any human alive (although it is rumored that the great Poobah himself once got the better of him), his Lordship, the indefatigable William H. Sperry. As was dolefully predicted by the rest of his league, H. M. Sperry succeeded in defeating his two opponents. In the Indian league a new man and his team were leading with virtually no competition, Chief Smith and his Tontos.

G.D.A.'S GREATEST DAY came on Saturday, December 8th, 1956. The stands were packed with avid fans from all over the world. As the whistle blew, the almighty Poobah dropped a volleyball from heaven onto the court and the Last Round-up began. The Buffalo Bills of Mr. Sperry managed to win the first game, but final victory was still far from theirs. After pulling up from behind in a miraculous display of skill, the Tontos went on to win the second game. The stands were hushed as the third and final game began (by Poobatic decree the championship goes to the team winning two out of three games). The mighty Sperryites were not up to their usual form. "Would the master fall?" was the question on everyone's lips. Slowly the score inched upwards, most of it for the Tontos. When the final whistle blew, the Tontos were ahead by a very definite margin. The old master had been dethroned at last. The mighty collossus of Sperry had crumbled, and out of the broken debris had risen a new giant and his team, the indomitable Mr. Smith and his Tontos!

Thanks, Poob, for the inspiration.

The Wrestling Season

By Skip Dickerson

The 1957 Governor Dummer Wrestling Team certainly had the experience, the strength, and the will for a very successful season. The season was to be unforgettably bright, since the Red Men compiled a dual meet record of eight wins against no losses. In addition, four wrestlers maintained personal undefeated records throughout the season.

The Governors' first win came at the expense of Noble and Greenough School. Sophomore Bill Capel won his first varsity bout, demonstrating a vast knowledge of wrestling holds. Conversely, Nobles' Wade Williams pinned Gene Bouley, but Gene did not succumb as easily as one might gather. Gene, using his normal aggressive style of wrestling against Williams' highly polished wrestling, provided an excellent bout for the spectators. The final score was 24-15.

Belmont Hill, a newcomer to the schedule, journeyed to South Byfield on the 19th. The Governors glided to a 36-10 victory. Hal Pouser's pin in thirty seconds and Captain Leary's forty-five second pin were highlights of this meet. Pete Stanley and Gene Bouley also gained falls.

Playing host to St. Mark's School next, the Governors were forced to call on the one-two punch of Stanley and Tyler to insure a victory. The team trailed by two points at the commencement of Stanley's bout in the 177-pound class, but Pete added three points by gaining a decision. Tyler then completed the afternoon with a pin, which gave the Governors a 22-16 victory.

On February 2 the G.D.A. grapplers showed the worth of their strong upper weights in a match with Roxbury Latin. Hal Pouser was the only Red Man to win during the course of the first five bouts. But Bouley quickly added five points, and Captain Leary collected three more. In the next bout, Don Kaufman, now recovered from an early season injury, wrestled to a draw with a very good Roxbury Latin adversary. Don's fine work was the turning point of the whole meet. Roxbury Latin was finally forced to yield the lead and the victory as Stanley and Tyler both pinned their opponents.

Brooks seemed unable to provide a large amount of competition for the Governors, who won 38-4. This match certainly was a welcome tune-up for the forthcoming trouble, namely Milton Academy.

Milton has always been the Governors' foremost opponent. This year was no exception. The Milton team held the lead right up until the final bout. Particular credit must be given to Lymie Cousens and Lonnie Churchill, who wrestled to the best of their ability against much better wrestlers. Pouser, Bouley, and Leary collected a total of eleven points among them, but Stanley and Tyler provided a dramatic climax to a tense afternoon. Stanley pinned a stubborn Milton man, narrowing the score to 16-17. Forty seconds after the start of Mike Tyler's bout, his opponent was striving to escape the trampling feet of the onrushing spectators. Mike had pinned him, and the Red Men had vanquished Milton.

Next on the agenda was Tabor Academy. This meet was a see-saw battle in which the undefeated four plus Stone and Bouley collected points. Hal Pouser's spectacular pin lifted the score to 24-16.

Browne and Nichols played host to the Governors in their final dual meet. Lonnie Churchill wrestled another interscholastics-bound boy to a 3-3 draw. Max Ule pinned his opponent in the 115-pound class Although this was Max's only victory, it exemplified the ever-present will of the whole team to fight to the end. Bill Hunt, experiencing his first varsity bout, also gained three points for the Governors, who eventually won, 35-8.

After these eight dual meet victories, the Governors placed six men in the interscholastics. Four out of these six placed in their respective weight classes. The Governors' team score of 25 gave them a tie for fourth place.

Each member of this team deserves special thanks. Although Stanley and Tyler produced the points when they looked the best on the scoreboard, one must not forget the boys in the lower and middle weights who earned valuable points. Specifically, Lymie Cousens, Ned Stone, Bill Capel, and Lonnie Churchill contributed points to the team score that helped give the Governors their victories. The Most Valuable Player Award was presented to the leader of this outstanding team, who will also be captain of next year's team, "Big K" Leary. Congratulations to the 1957 Wrestling Team!

The Winter Track Season

By Frank McGuire

In the past few years Governor Dummer winter track has not only done very well, but it has also encouraged a large number of boys to participate. This year's winter track team, however, was not as large as the previous teams. Because the squad was smaller, this year's record is less impressive; but, nevertheless, the season was a successful one. Every boy on the team, whether he won or not, maintained good sportsmanship and spirit as well as the desire to improve.

The season started with a meet against Exeter and Tabor at Exeter. Exeter had one of the best teams it has ever had, and Tabor also had a good team. Exeter easily won, but Tabor placed second by a very small margin over Governor Dummer. Captain Wink Pescosolido, "Rev" Cadigan, and Bob Temple provided the points as they often did in every meet. Wink got the most points for the Governors by placing second in the hurdles and third in the 300.

In the B.A.A. Games at Boston Garden on February 2, the Governors placed third in the mile relay. The team, after qualifying for the finals in the afternoon, went on to third place at night. Wink Pescosolido, Gale French, another consistent point winner, Bob Temple, and Pete Cadigan at anchor made up the team.

On February 13 another meet was held at Exeter. This was again a triangular meet among Exeter J.V., Portsmouth High, and Governor Dummer. The Governors took second place in this.

The Private School Meet at Andover was next, and the Governors placed third behind Andover and Tabor. Rev Cadigan placed second in the thousand a few tenths of a second behind the school record. Wink also placed in several events, and the relay team came in third.

Now it was time for the Governors to win a meet. This they did in a meet with Roxbury Latin. Almost everyone placed in his event, and Pesky breezed over the finish line after tying the record for the 40-yard dash. Before this meet the coach, Mr. Eglin, expressed his confidence that the team could win. The team was happy to oblige.

The final meet of the season was the Bowdoin Interscholastics where the Governors finished third. Peter Cadigan placed first in the thousand, holding the lead from the first turn to the finish line. Wink got second in the broad jump and in the hurdles. Gale French amazed everyone with a terrific 300 to get fourth place.

Without Mr. Eglin, who is in his first year at Governor Dummer, the team would not have had any kind of a season at all. He showed everyone just what to do and kept the team cheerfully practicing. To him go the thanks of the whole team.

The Basketball Season

By Tony Bourn

The first day of practice brought out an extremely green team. Only Bill Hallenbeck was a returning letterman, and he was sidelined with a football injury. After hard work and high competition for positions, the first game with M.I.T. came on January 10.

The first game, played at Alumni Gym, was rather a disappointing start for the season. M.I.T. was probably the best opposition the team met all season. Dumont was the high man in the scoring column for the Governors with 11 points, and Sayles brought down 15 rebounds.

The game with St. Sebastian's was the worst of the season for the Red team. The first game away seemed to bother the team, for St. Sebastian's made the afternoon a costly one for the Governors. There were two bright spots in the game, however, for Sayles and Light both hit in double figures.

Lawrence Academy did not give the Governors any relief from the losing column in the next game. Lawrence took an early lead and kept it throughout the game. Again Sayles and Light were in double figures to be the top scorers, but the highlight of the game was the total of 20 rebounds for Sayles.

Finally, after losing three straight, the Red team began to roll. The next game at Belmont Hill gave the Governors their first win of the season. The full court press seemed to be the deciding factor in the game. Three men were in double figures for the team. Bourn led with 19 points, followed closely by the sharp shooting of Dumont and Sayles.

The game with Rockport High School provided the second win of the year. A large amount of apprehension before the game was caused by the fact that Rockport had won 10 straight and had already received an invitation to the Tech Tournament. Sayles was the big scorer again with 21 points, and Dumont scored in double figures as usual.

The following game with St. Paul's was a very low-scoring contest. Again Sayles was the high scorer and rebounder, and it was the rebounding that gave the Governors their third victory.

Moses Brown brought a 6 and 1 record to South Byfield for the next game. The Red team met the occasion very well with four men in double figures. Sayles and Hallenbeck were the big rebounders, and Sayles added 19 points to his 18 rebounds. The Governors won in overtime 67-66.

Browne and Nichols came into the next game with another impressive record of 8 and 1, but they were doomed to have it marred. Dumont and Light were high scorers, and the possession ball at the end of the game gave the team another victory.

The game with Milton had been long awaited, and all the boys were up for the game. Four men did most of the scoring for the Governors, and Hallenbeck played his best game. Every man played for the Red team to help bring home a 74-67 victory.

After winning six straight, the Governors went down in defeat to a strong Belmont High School team. Sayles was again the high man for the Governors with 15 points.

The team came back in the next game to win a close one over Hebron. It was the best team effort of the year, with everyone playing as hard as he could all the time. Sayles hit his high rebounding total of the year in this game with 23 rebounds.

The Governors next met Huntington. Huntington was a fine team led by Chevalier. It was a tough game to lose because it was a very close score of 45-43. Sayles scored his high of the season with 23 points. It was also very encouraging to note that the boys who played most of this game will all be returning next year.

The last game of the season with Tabor was a very poor ending. A long trip to Tabor, and the sharp shooting of Grey and Blake gave the Governors a final loss. Although Sayles got 20 points, the rest of the team was very cold.

The season's record of 7-6 gave Mr. Williams a good season for his first year as varsity coach. A lot of hard work and good coaching gave this young team a winning season. The big factor in all the games was shooting and rebounding of big Fred Sayles. Mr. Williams brought him a long way this year, and will have him back next year. With only Hallenbeck and Bedford as seniors on the starting five, the team next year should be very strong.

The Hockey Season

By MIKE DUNSFORD

By merely looking at the record of the hockey team this season, one would think that the season was not very successful, but this is not the case. The record of two wins, nine losses, and one tie in no way tells the story of the hockey team's season. The Governors played hard in every game, no matter how far ahead or behind. The same high spirit was quite evident in every practice on Ingham rink. The team was very willing to work hard the day after each game, win or lose, to correct their mistakes.

The Governors had good skating weather most of the season although in past years they have not been as fortunate. The announcement at lunch of "Hockey team run to the bridge" took the place of "Hockey team at 3:30 on Ingham rink" only three times during the season. The skating time will undoubtedly leave its mark on next year's team. The Governors were very fortunate to be able to play half their games in Watson Rink at Harvard.

Morale was kept high by Captain Fred Estey, even after a losing streak of five games. He gave a great deal of valuable

advice to the more inexperienced members of the squad.

This season, Mr. Murphy received only a few of last years letter men. The first line had Fred Estey as center, Jim Sylvester and Nuff Withington at the wings. Jim Sylvester will return to lead next year's team as Captain. The second line was centered by Jeff Fitts and had Tom Colt and Charlie Langmaid at the wings. A third line had Pete Vermilya at center, with Eddie Johnsen and Arnie Wood at the wings. The first defense consisted of Mike Dunsford and Wayne Hockmeyer. The second defense was made up of Dick Croll and Bill Kittredge. "Big Bill" thrilled the spectators at Milton by checking an unsuspecting Milton player headlong over the boards.

Harv "Terry" Hayden did a wonderful job this year as goalie. Coming up from last year's J.V. team, Harv soon proved his ability as a netminder and became one of the most valuable players on the team. Harv's fourteen stitches and two black eyes made him look like a pro after the game against Belmont Hill. Having never played hockey before, Bill George did a spectacular job as second string goalie this year.

The Governors played their best games against Middlesex and Milton and in the victory over Lawrence Academy. By continuous hard work, the Big Red improved greatly during the season.

At the evening meeting held for the letter winners, Jeff Fitts and Harvey Hayden jointly received the cup for this year's Most Valuable Player on the hockey team.

The whole squad is very grateful to Mr. Murphy and Mr. Dann for the fine job of coaching that they did and for their unfailing support of the team over the entire season.

The Baseball Season

By MIKE DUNSFORD

A squad consisting of fifteen players assembled on Morse field on the first day of the spring term to begin the baseball season. This group was the most inexperienced that Coach Navins has had in his twenty-one years of coaching baseball. There were only four seniors and one junior returning from last year's squad and only two of these were letter winners. Although there was less than a week before the first game, the team was very fortunate in having good weather and accomplished a great deal before playing Haverhill High School.

Fred Estey was the team's starting pitcher and one of the strongest hitters on the club. Behind the plate was Captain Mike Tyler. This was Mike's third year as starting catcher, and he is a very powerful hitter. Whit Kimball was at first base and Harv Hayden at second. Pete Sherin, a new-comer, was at shortstop, and "Chic" Carrol, who played first base for the J.V.'s last year, was at third. The three starting outfielders were Nuff Withington, Bill Mathews and Eddie Johnson.

The Governors opened the season against Haverhill, but unfortunately the game had to be called in the fourth inning because of rain.

The Governors soon won their second game against Groton, 9 to 4. Mike Tyler hit a home run with two men on, but one player missed third base on his way to home plate so Mike's hit only counted as a double. This was a very good game in that it built up the Governors' confidence.

The Belmont Hill game was one to remember. Although the Governors lost 8-3, Coach Navins felt it was a good game. The Governors had the bases loaded a couple of times but were unable to get the necessary hits to bring the men home. The hopes of success look bright for the Governors for the remainder of the season.

The Lacrosse Season

By Pete Stanley

The Lacrosse team of this spring will have the very difficult task of following in the footsteps of the greatest lacrosse team Governor Dummer has ever had. So fine a team was last year's that it was awarded the Marsters' trophy, for which all the preparatory school teams in New England compete.

The coaches, Mr. Evans and Mr. Kerr, found before them this spring a group of boys most of whom were quite inexperienced. Although five letter-men returned this year most of the mainstays of last year's team, including the three all New England players, were lost in June in the graduating class.

The Midfield positions this year will be held by George Starbuck, Gene Bouley, Hal Pouser, and Don Morse. Jack Williams, Demi Reed and Skip Dickerson will operate the attack. Leary, the fighting Irishman from Newburyport, will run the defense consisting of Hockmeyer, Laurelli and Correll.

Led by their captain, George Starbuck, the Red Men dropped a very disappointing game to an extremely powerful team at Andover on April twenty-third. Lack of an experienced goalie proved to be a very serious handicap, which, along with other weaknesses, gave Andover the first lacrosse victory that it has had over Governor Dummer in three years.

Regardless of the score of the first game, the much needed experience gained will surely show in the games to come. The willingness to work hard and the determination to win that is present throughout the entire squad coupled with the truly gifted coaching ability of Mr. Evans, Mr. Kerr, and Mr. Murphy will undoubtedly mold a powerful team that will do credit to the already fine name that the school athletic teams have always had for hard play and fine sportsmanship.

The Spring Track Season

By P. Ober

With frozen pits and a muddy track the Spring track team got off to its usual start this year. After running on the road all winter even our track seemed good. Before long the team began to shape up quite well. It definitely has a good deal of promise.

Although Parry O'Brien has nothing to worry about for a while, Russ Tornrose will certainly get off some good heaves for G.D.A. this year. Although we haven't much depth, we went to the Exeter relays, where depth is more important than anything else, with high hopes. It turned out that our hopes were entirely justified; for the Governors came in second, only being beaten by an exceptionally good Exeter team. We won out over five other teams. Wink Pescosolido broke the school record in the broad jump, set by his brother Carl, by ½"! He shall undoubtedly improve on this as the season goes on. The mile relay record was also broken by Cadigan, Temple, Pesky, and Field, all of whom did their 440's in well under 55 seconds. At the Exeter meet we won the junior relay race, proving that G.D.A. will have very good track men coming up for the next few years. Gale French did 10'6" in the pole vault, the best he has done to date, and he shall certainly spark our team on to more victories in the future. Dave Cushman did an 880 in 2:07.6, turning in a 440 time of 57 seconds flat for the first lap, a truly phenomenal showing. In the 880 relay the boys dropped the baton, but, even though they were far behind, they kept on trying as hard as they could, certainly illustrating what is meant by "competitive spirit."

With six meets to look forward to, the Govies will have some pretty tough competition on their hands; but if they put out as they did at Exeter, they ought to come home with a good many wins.

The Tennis Season

By JEFF WILSON

The tennis team, although the outlook is not too bright, promises to show great improvement over the team of last year. With scarcely two weeks of practice before the opening match against Middlesex School, a team representing the school was chosen. It consisted of Captain Cyril Fung, Hicks, Brooks, Langmaid, MacLeod, and Fitts. The team was soundly beaten by Middlesex, but this defeat can be blamed to our lack of practice and the inexperience of the new-comers to the squad. The team looked forward to the M.I.T. Freshman match with optimism and almost pulled it out losing a close one by the score of 5-4. The highlight of this match was the very fine matches offered by Captain Fung and the doubles team of Brooks and Cushman. The third match of the season was with a strong St. Paul's team, which was lost by a score of 8-1. Jim Brooks, however, played good tennis in defeating his opponent for the Governors' only win of the afternoon. The team is looking forward to victories over the Andover J.V. team, St. Mark's, and Belmont Hill and hopes to win a few more than just these mentioned.

The match with the M.I.T. Freshmen, in particular, shows the strength of the team this spring and the potential of its capabilities. It is hoped that much improved tennis team can win some matches this year by the fine coaching and tutelage of Mr. Welch, the enthusiasm of the squad, and the desire of Captain Fung.

The Golf Season

By Wally Herrick

March went out like a lamb this year permitting the golf squad to head for the links the day after returning from Spring Vacation. Having lost a great deal of its strength, the squad had to put in a lot more work to ready itself for its first match with the Harvard Freshmen team on April 20. Returning members of the squad were Captain Bill George, who had held down the number one spot on the team last year, Jeff Fitts, playing his third year on the squad, junior Bill Hunt, and sophomore Lou Platt. New additions to the squad were Al Tucker, Phil Poe, John Schabacker, and Paul Clark.

On April 20 the inexperienced Governor's team was defeated by a well balanced Harvard Freshmen team. The boys gained valuable tournament experience in this match, and this fact was evident on April 24 when they played Andover and Exeter on the Exeter course. They beat the Andover team easily by 27 strokes and were beaten by the Exeter team by only 7 strokes. With Andover and Exeter appearing twice more on their schedule, once at Andover and once at home, the Governors are optimistic about defeating Exeter in return matches. Matches with M.I.T. Freshmen, Boston Latin School, and Tabor Academy will round out the season.

. . . and the acquisition of experience in this life . . .

VIATIC

When school began on a beautiful fall day, September 20th, many of the old students were very much surprised to note the change in the campus skyline. Due to the relocation of Perkins in order to make room for the new math-science building, the campus was given a new personality. That very evening varsity football and soccer uniforms were given out. Governor Dummer plunged headlong into the fall athletic season. The football team jumped to a fast start decisively beating its first three opponents, St. Sebastian's, Moses Brown, and Milton Academy. Unfortunately the "Big Red" succumbed to powerful Groton and St. Mark's, and in the season's finale was upset by a spirited Belmont Hill Club.

While the football team was encountering its ups and downs under the tutelage of coaches Sager, Sperry and Evans, Mr. Navins, ably assisted by Mr. Ashley Eames and Mr. Houston, was molding a fine soccer team. In league competition the soccer team placed second, finishing strongly. The team, led by Captain George Starbuck, was composed entirely of seniors.

Of particular note during the fall season were the two spirited rallies held, one just before Parents' Day and the other to mark the final games of the athletic season. A tremendous thank-you should be given to Bob Linberg, Tom Chalfant, Mike Tyler, Hal Pouser, Pete Cunningham, and Lymie Cousens for their work in organizing these rallies. At the final rally held in Lang Gym, the school was regaled by Mr., "The Wild One", Houston's talk on soccer. Volley-ball champion in the old days, Mr. Ohrn, next took the rostrum and captivated the audience with his talk on football.

With the fall athletic season over, Mr. Mercer launched the volleyball season at a very entertaining meeting of the school. Acting on the authorization of "Poobah", Mr. Mercer divided the school into Cowboy and Indian Leagues. Mr. Sperry once again sparked his team, the Buffalo Bills, to the Cowboy League Championship. Newcomer to the volleyball season at G.D.A., Mr. Smith piloted the Tontos to the Indian League championship. One of the big reasons for Mr. Smith's stunning success was his secret weapon, Bob Kleven, who was used repeatedly to spark plug the team to victory in the second half. To only Mr. Sperry's consternation, the Buffalo Bills were swamped.

On December first sixty-four G.D.A. boys journeyed to the Walnut Hill School for the annual Christmas dinner and dance. The evening was thoroughly enjoyed by everyone. On the dance floor Hardy Bedford, Jeff Williams. "Skip" Dickerson and John Keller showed they were in

a class all by themselves. It was on this fateful night that Frank Gleason. alias "the Gleas", was rudely awakened by a bottle of "aero-shave". Rumor from the "Green Hornet" is that Frank is still upset about this disturbance.

The next social event of the season was the glee club concert with the Winsor School of Brookline. The Governor Dummer glee club showed admiration for the good sportsmanship the girls showed by braving a blizzard to journey to South Byfield. Everything went according to plan except for the lights failing suddenly in the dining hall amidst the thunderous cheers of the boys and their dates.

The magnanimous invitation of the Headmaster to the entire senior class to attend the basketball game between the Rochester Royals and the Boston Celtics at the Andover Gymnasium proved very popular. The seniors were treated to refreshments afterwards. Mere words could not describe the impression that such a novel trip made on the Seniors. In line with this new policy was a subsequent trip on Saturday night, December 8th, to the Boston Garden to view a professional hockey game between the Detroit Red Wings and the Boston Bruins. While at the Boston Garden, Mr. Eglin and a very attractive companion were recognized and given a rousing ovation.

A myriad of incidents highlighted the Governor Dummer Central News Service (the Butt Club). The Blivit struck again this year with his customary use of sesquipedalian words. His identity still remains an unsolved mystery.

The 1956 Presidential Election was a subject of much debate and interest in the school. Under the guidance of Mr. Williams and Mr. Ashley Eames, a mock rally and election was conducted. Before votes were cast Pete Ober, Fred Estey and Pete Stanley spoke for the Republican ticket and Don Kaufman, Bob Temple and Bill George advocated the Democratic platform. The speakers encountered a warmly receptive, slightly partisan audience. After each speaker presented his own political talk to the slightly "aroused" audience, everyone was amazed to learn that "Ike" had swept the school.

The recent situation in Hungary aroused the intense interest of everyone in school. Under the supervision of Pete Stanley, the first completely voluntary charity drive at school was launched to aid the Hungarian refugees. With about 90% of the school contributing, more money was raised than ever before.

At Christmas dinner Athletic awards were given to both Varsity football and soccer teams. George Starbuck and Bill George were co-winners of the soccer M. V. P. award and Mike Tyler was the M. V. P. winner for football.

Coaches Navins and Sager spoke briefly. Everyone noted the vast improvement in Mr. Navins' public speaking after his taking a course from Mr. Sager. The evening ended in a most pleasing manner with Dean Wicks, distinguished guest speaker, imparting much of his well-earned wisdom upon a spell-bound audience.

Looking back at the winter athletic records, one can easily discern that the wrestling team had an outstanding season. The team, captained by Kevin Leary, was undefeated in dual meet competition and took fourth place in a field of 28 at the wrestling interscholastics. At the annual winter athletic awards meeting, Kevin "O'Leary" was presented the trophy for the most valuable wrestler plus a green carnation from English instructor Thomas "McMercer" in celebration of St. Patrick's Day. In recognition of its being one of the finest wrestling teams to have ever represented the school, Mr. Eames gave each varsity wrestler an engraved tie clasp.

Perhaps the Varsity basketball team proved to be the most pleasant surprise of the winter athletic season. With only one returning letterman, prospects appeared gloomy. But through the team's effort and Mr. Williams' coaching, the squad compiled a 7-6 record in a very tough league.

Only those closely associated with G.D.A. can realize the handicap under which the hockey team must labor with regards to practice conditions. G.D.A. is one of the few teams in its league that does not possess an artificial hockey rink and consequently the team must submit to erratic New England weather.

Although the Hockey team did not have a winning season, they gave the league leaders plenty of scrap before succumbing and were seldom outclassed. The hockey trophy was awarded jointely to Jeff Fitts and Harvey Hayden.

The indoor track team had a good season this year. The team won its lone dual meet by decisively beating Roxbury Latin. At the New England Prep Meet at Andover, G.D.A. took a 4th place in a field of 10 and at the Bowdoin Interscholastics, the team placed third behind Tabor and Exeter. Of special brilliance in performance throughout the season was Captain

Pescosolido, recipient of The Withington Cup given annually to the outstanding member of the track team and Peter Cadigan, winner of the 1,000-yard run at the Bowdoin Interscholastics. Another form of winter athletics, although it receives little publicity, is league basketball. The league teams competed viciously for the title which was finally copped by the Athenians. Such league players as Charlie Cushman, Tom Parker, Steve Correll and Ned Beebe added much drive to their teams.

The Winter Term at school is tough, cold and gloomy. Perhaps one of the bright spots is the Post Office. Certainly no one could have asked for more efficiency in mail delivery than that provided by Dick Field and Tom Grose.

Scheduled weekly a group of seniors meets in the Mansion house forming the Religious Discussion Group. Under the guidance of Mr. Williams, stimulating discussions are held about some of religion's provocative problems. Perhaps the highlight of the year came on March 10th when Mr. Bridges, the Vesper Service speaker, came to our meeting and answered many piercing questions. Jim Seder, due to illness, was unable to finish his senior year at school. Jim was greatly missed by everyone. The absence of his contributions to the religious discussion meetings left a gap that was never filled. We all wish Jim the best of luck at University of Michigan next year.

On Sunday, February 3rd, the school was ecstatic to learn from the Headmaster that there was to be a "free day" the next day. The "break" came just at the right time and the change was appreciated by everyone. The day's festivities were started by Steve Correll who served coffee and toast in the Butt Club until 10:00 A. M.

On February 9th, G.D.A. had a glee club concert with the Walnut Hill School in the wonderful community of Natick. "Auld acquaintances" were renewed and a fine evening was had by all. Heard at one of the winter rehearsals was Mr. Sager's proverbial: "This is one of the finest clubs that I have ever seen here at school". Rehearsals at Harvard University for the New England Preparatory School concert began on March 3rd for the performance on April 7th.

On the eve of winter week-end, the school witnessed the humbling of the varsity basketball team by the faculty, 42-40. Mr. Eglin was top man for the masters scoring 19 points and Fred Sayles scored 14 points for the varsity. Next morning in an interview with Coach Williams his statement for the press was: "We choked beautifully".

Another one of the campus mysteries to be placed in the unsolved column is who set off the alarm clock in the Butt Club four o'clock one cold wintry Sunday morning?

Throughout the year Mr. Mercer was constantly at the mercy of the many superior ping pong players on his corridor. It seems that even Kevin Leary was able to trounce Mr. Mercer in the game. Ned Beebe was unanimously elected President of the Ingham Food Co. "Beeb" is also among the hierarchy of Ripple Sole advocates here at school. Bill George had the honor of being number one belly bouncer of Ingham I, with Steve Correll taking a close second. Amery Colvin, Ingham's most efficient secretary, continues his search for Ray Bradberry.

Day boys such as "Pete" Metcalf and Brian Sullivan were shocked to learn that Dave Macomber had received a ticket for speeding in his foreign car, "the bug", on the Newburyport turnpike.

On the evening of March 12 four seniors spoke before the Kiwanis Club of Newburyport: Don Kaufman, Peter Stanley, George Starbuck and John Wichers. Each boy was commended by both Mr. Sager and the Kiwanis members for having done a fine job. Through such an experience, much public speaking "know-how" was gathered.

On the brisk Wednesday evening of April 3rd, nearly two hundred "Govies" found themselves traveling back to school for the Spring Term. Everyone was soon enveloped in school activities. Perhaps the event foremost in mind was the New England Preparatory School Music Festival. Governor Dummer was one of eight private schools participating in this annual event. The conducting of Maestro Wilfrid Pelletier and the playing of the members of the Boston Symphony Orchestra, who accompanied the huge chorus, added immeasurably to the thrill of performing in Symphony Hall.

The spring athletic season is short, and the picturesque New England countryside is usually shown to good advantage by the fine weather. On the golf course Captain Bill George and Jeff Fitts should more than uphold Mr. Mercer's record as a golf coach. The tennis team has gained much experience since last year, and under Coach Welch and Captain Cy Fung the team should hold its own in a tough schedule. With thirty-one boys out for spring track, Captains Pete Cadigan and "Wink" Pescosolido are looking forward to a good season. Mr. Navins made liberal use of Mr. Houston's "crying towel" with regards to the 1957 baseball prospects. The lacrosse outlook appears good this year. Coach Evans has a returning nucleus back from last year's undefeated team. Steve Correll, "a mere shadow of his former self", will undoubtedly add much to the defensive punch of the team.

The Glee Club season ended on April twelfth with an away game at Beaver Country Day school. Solos by Rosalie Brewster in the *Kyrie* of the *Mass* and Cy Fung in *The Musical Trust* highlighted the evening.

The Meistersingers consistently drew sighs from the feminine set by singing such numbers as *Secrets*, *On the Street Where You Live*, and *My Lord, What a Morning*. Members of this year's Meistersingers were Joe Montgomery, Peter Cadigan, Peter Cunningham, Glee Club President Cy Fung, Bill George, Bob Linberg, "Wink" Pescosolido, Pete Stanley, and John Wichers.

One of the highlights of the Spring Term is the annual Spring Dance weekend, held on May 4 and 5. On Saturday afternoon the girls saw Governor Dummer play host to M.I.T. Freshmen and Tabor Academy in lacrosse and baseball, respectively. After a fine dinner the school once again "danced and romanced" to Ralph Stuart's Band. The evening's brilliance was crowned by a public appearance by cosmopolitan playboy Peter Ober and his companion. After the dance Mr. and Mrs. Eames were hosts to the seniors and their dates at the Mansion House. A tremendous thank you should go to the dance committee, composed of Hardy Bedford, "Skip" Dickerson, Jeff Fitts, Bill George, Jim Seacrest, Jeff Williams, and chairmaned

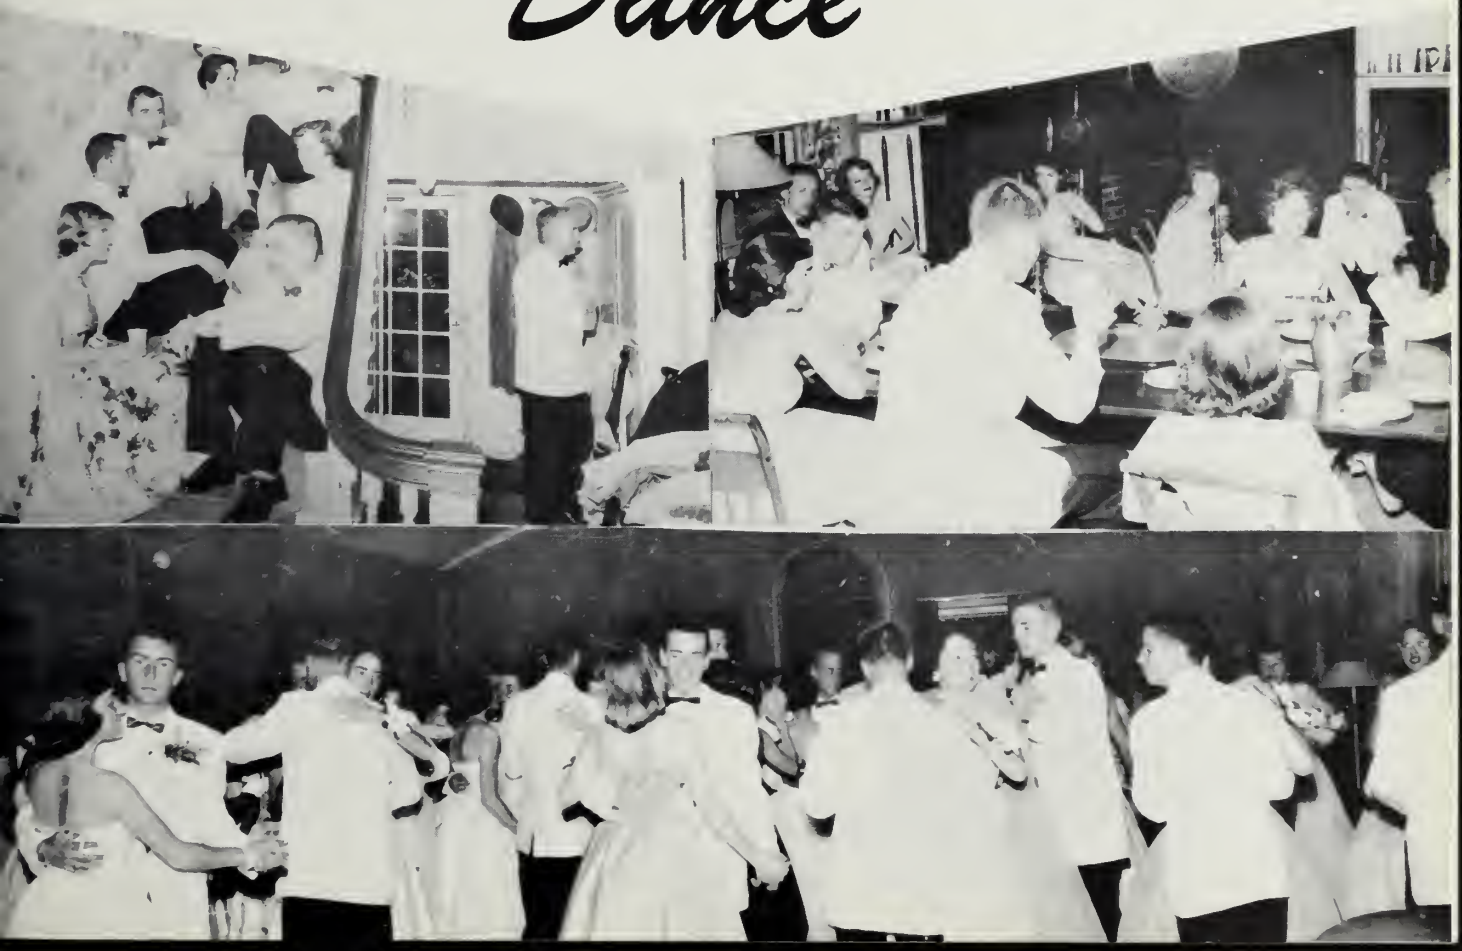
Dance



by Pete Cunningham, who worked diligently with Mrs. Eames to provide such a fine evening.

The long trail of Governor Dummer life has come to an end for the seniors. Some have been traveling this path for four years, others for three years, and a few for but two years. For some the path of knowledge has proved difficult, for others it has been easy. We all started our long trek at the little red school house and now we have all finished our journey at the milestone.

Athletics, studies, social activities and the cutting G.D.A. humor are all in the past. Each boy will cherish his own memories of school life — a football game, a date for a glee club dance, one night in Portland. Time must not distort the precious experiences that we have had here.

Few will refute the fact that a preparatory school education is a privilege, a privilege that only one student in a hundred enjoys in the United States. Some of us have taken advantage of this privilege, others have not. It is irrevocable now, however.

We are as well prepared for college as possible. We must not linger too long on Governor Dummer achievements and failures. They belong to the past, and we must advance. For those who have bitter memories, the future offers consolation in that it is an untouched realm that can be molded into what we wish to make it. For those who have done well here, the future represents a taunting challenge to do as well again. But who is to judge whether or not one has done well — the Headmaster, the teachers, your classmates? Only you, yourself can answer that searching question. Each senior is very much indebted to the school and to the people connected with it. There is but one way to express our appreciation for what has been done for us. Each one of us should know what that is. All that remains is to do it!

. . . we reach a maturity where we can enjoy and utilize our lives to the full.

Congratulations Seniors !

Graduation marks an end and a beginning. Yours is a sound foundation upon which to build more advanced education for a full and productive life. June 1957 marks an important milestone.

Documenting your years here at Governor Dummer is the 1957 *Milestone*. It represents a supreme effort in thought and hard work by the editorial and advertising staffs aided by the faculty adviser. You can be proud of this yearbook.

We of Newburyport Press are proud to have had a part by producing the 1957 *Milestone*.

Acknowledgments

The MILESTONE wishes to express its gratitude to the boys who have produced the pictures in this book through the expenditure of much of their own time and money: Amery V. Colvin, H. Ross Chace, Jr., Ralph J. Coffman, Jr., Richard P. Morse, and E. Christopher Prewitt.

There are many people who have contributed to the MILESTONE this year, and of these we would like especially to thank:

Miss Elizabeth A. Page for her help in the MILESTONE'S accounting problems.

Mr. J. Richard Williams of the Newburyport Press for handling many of our difficulties.

Mr. Douglas L. Miller for his guidance of the Board this year.

The Dance Committee for managing the MILESTONE dance, which contributes substantially to the book's finances.

Mr. William C. Costello for handling the food and household problems arising from the dance weekend.

Our advertisers, without whom this book could not have been printed.

it's the "Know How"

Years of experience in serving thousands and thousands of Undergrads have given Kennedy's the "Know How," so important to all high and Prep school men. That's why — season after season — Undergrads come back to Kennedy's for their every clothing need.

"The Friendly Bank that Service Built"

Nobody knows how many hundreds of thousands of people will dine tonight with TOWLE Sterling — but the actual number would be startling. For in the two-and-a-half centuries that beautiful silver has been made in Newburyport, the demand for its patterns has moved steadily upward. Craft traditions reaching back almost to the Pilgrims are part of the reason for TOWLE progress, but probably the chief reason is a certain soundness of design — patterns that wear well — that wear so well, in fact, that they become at once a proud possession and a beloved part of family life.
